3rd 95: estimate with High-Low range, Global

High %, Low % and Estimate % by Year

Year-on-year change, 2nd 95: On treatment, percentage points

YoY change by Year

The 2024 bar is omitted where year-on-year change registered at zero

Data Notes

- Source: UNAIDS 2026 Estimates.
- Values shown are Estimates, with Low and High ranges on page 3.
- ">98" is recorded as 98. "m" means millions, counts in millions are rounded.
- Some estimates have wide range. "..." means no data shown (shown blank, not zero).
- Some indicators start in 2015 because earlier years were not reported.
- Global, regions and countries are not added together.
